BODY / SIGNAL / SOUND

THREE PERFORMANCE FORMATS

Final duration and technical specification are confirmed for each event.

01	Hybrid live act Original music shaped live through SOMA Terra, synthesis and voice.	DURATION 45-75 min	SETUP Live electronics + stereo feed	BEST FOR Festivals, concerts, art spaces
02	DJ set A responsive journey from organic house and downtempo to indie dance.	DURATION 60-180 min	SETUP Club booth or Denon SC Live 4	BEST FOR Clubs, open air, private events
03	Bio-musical performance Heartbeat, movement and human signals become musical material in real time.	DURATION Custom	SETUP Signal system + production call	BEST FOR Innovation, culture, commissions

02 / TECHNICAL BASELINE

VENUE & PRODUCTION

- Professional PA and appropriate monitoring
- Stereo line or DI connection to the venue system
- Stable performance table and safe power distribution
- Vocal microphone when the selected format includes voice
- Custom technology performances require a production call
